EDUCATION

Occidental College, Los Angeles, CA

Expected May 2025

Bachelor of Arts, Major: Computer Science, Minor: Education and Mathematics

GPA: 3.93

Relevant Coursework: Data Structures, Game Design, Algorithms, Computer Organization, Discrete Mathematics with Cryptography, Linear Algebra, Robotics, Computational Mathematics

TECHNICAL SKILLS

C#, Unity, Python, Java, C++, C, Git, HTML, CSS, Photoshop, Microsoft Suite

WORK EXPERIENCE

Occidental College, Los Angeles, CA

Peer Tutor for Scientific Scholars Achievement Program

January 2023 – Present

- Tutoring students in introductory-level computer science courses twice weekly to reinforce foundational concepts

Teacher's Aide, Computer Science

August 2023 – Present

- Assisting computer science students through their assignments in a one-on-one environment
- Facilitating active communication between a lead professor and students to ensure all parties are receiving necessary information

Resident Advisor

August 2022 – 2024

- Organized monthly, building-wide social programs and designing interactive bulletin boards to build a welcoming community for 20+ first-year students
- Managed administrative duties, such as writing formal incident reports and taking calls from students at the Residential Education and Housing Services front desk

Chadwick School, Palos Verdes Peninsula, CA

Technical Director & Instructor

Summers 2018 – 2023

- Organized set, lighting, sound, and projection design for a musical theater production in 5 weeks
- Worked with a team of counselors to coordinate and run all technical aspects of the production
- Taught improvisational theater to 20+ elementary and middle school students

Teacher's Aide

October 2020 – June 2021

- Assisted with grading, classroom organization, and small-group instruction in two 5th grade classrooms with a combined total of 40+ students
- Collaborated with lead teachers to maintain a safe, respectful, care-based environment by connecting with students one-on-one and in large-group settings academically and socially

PROJECTS

Magicode (Game), C#, Unity

Fall 2024

- Developed a full-featured educational auto-battler video game in Unity
- Designed a simplified coding language to teach programming fundamentals
- Conducted iterative user testing to achieve high levels of both player enjoyment and learning

One Frog Band (Game), C#, Unity

January – May 2023

- Led the development of an action platformer game in Unity featuring multi-purpose design mechanics
- Collaboratively wrote a 30+ page Game Design Document detailing art, gameplay, and technical design

Emerging Cinematic Media AR Experience (Mobile Application), C#, Unity

Fall 2021

- Designed and programmed a location-based augmented reality experience in Unity
- Wrote hundreds of lines of high-quality C# code to implement customizable AR objects, resulting in an application that can be easily modified to fit a user's needs
- Integrated Unity plugins and various forms of media created in collaboration with a media arts class to create an experimental application

LEADERSHIP AND ACTIVITIES

Stage Manager, Chadwick School & Occidental College

March 2015 – November 2021

- Managed the rehearsals and performances of 10+ middle, high school, and college level theatrical productions by communicating effectively between actors, crew, and creatives

President, Fantastiprov Improv Troupe, Occidental College

October 2021 – Present

President, 2 Paws Up Sketch Comedy Club, Occidental College

October 2021 – Present
